Göta studentkår's terms and conditions of membership

Göta studentkår is a non-profit organization based on membership and non-profit engagement. However, you do not need to engage in activities to become a member, engagement is completely optional. As a member of Göta studentkår, you contribute to strengthening our legitimacy to drive student-related questions and exert student influence at the University of Gothenburg. To become a member of Göta studentkår you must be a registered student at one of the faculties that Göta studentkår represents. As a member you have the right to influence the activities of the union, for example by voting in the election, becoming a student representative, lift your suggestions and opinions to your section, start a student group or union association, sit as a member of your section board or in the representative assembly (the highest decision-making body of the union) etc.
